

The background image shows an elegant dining room. In the foreground, a table is set with a white tablecloth, a silver tray holding a teacup and saucer, and a small vase with yellow flowers. In the middle ground, a dark wooden chair is visible. In the background, a window with sheer curtains is brightly lit, and a large potted plant sits on a table. To the left, a lamp with a pleated shade sits on a side table. The overall atmosphere is warm and sophisticated.
